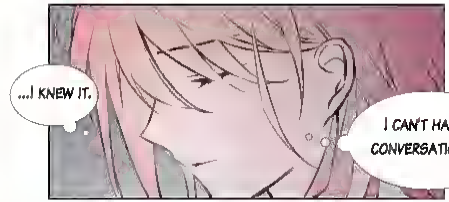
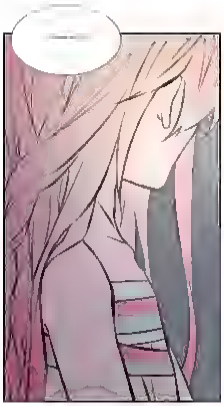
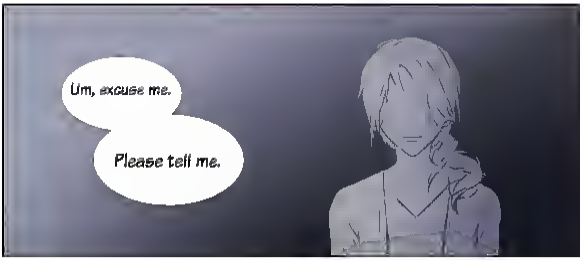
What is it?



RUN

...He must be looking for me.....

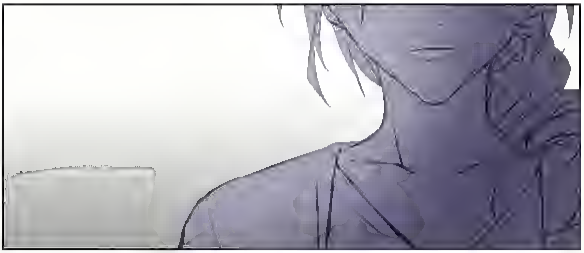


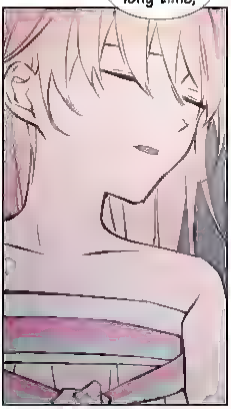


Um, excuse me.
Please tell me.

Adults.....

aren't actually scary people, are they?



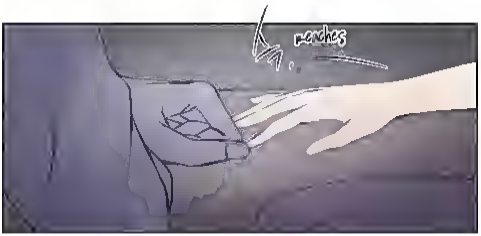


For a long time,
I keep hearing someone calling me from afar.
My friend said he only heare scary voices...

He

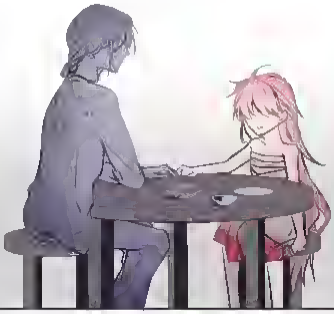
is terrified

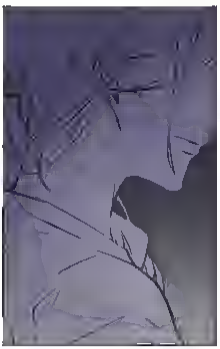
of people like you.....



But I

don't think adults are that scary.





.....So,

Please tell me.

Is it you

who told me
you'd wait for me
from afar?

.....Is she

In here?
Rumble
I believe so?
Those white petals
stopped here.....
Rumble

What is it?

Step

Step

Yes...

STANDS UP

I called you.

I was waiting for you

I am

your

Parent.

STANDS
I wanted to meet you...!
UP

I really wanted to meet you.

I liked your voice so much ..

You were the one calling me all this time, right?

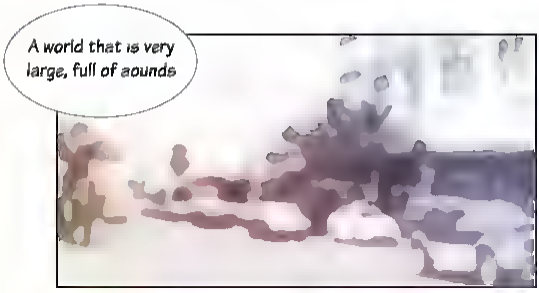
It's you who told me lots of stories, aren't you?

Like the one about '**Outside**'!

I've been hearing it all.....

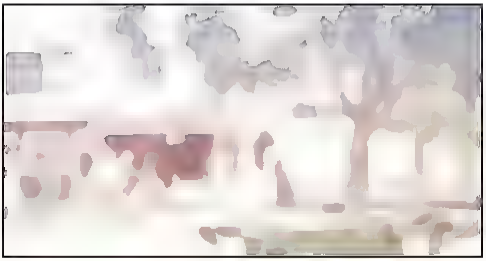
I couldn't understand it all
but if I kept listening to it carefully
I somehow understood it.

You told me about the world outside this village, didn't you?



A world that is very large, full of sounds

and many other things.....



And when I'm able to go there

My friend and I

can have our hands and eyes, right?

Take me there! I

want to see that world!

There's no such thing

as the 'Outside'.

Living here is much better.
Rather than going to that cruel place
seeing nothing
Knowing nothing and laughing here is better
You'll be happier.

Now,
stay with me.
I'm your.....
But I want to
have eyes!
I CAN NEVER
SEND YOU TO
THE OUTSIDE!!!!!
